## SKIN CARE PRODUCTS

Place your well-being in our hands and let your soul soar. Exclusive care products combined with select treatment methods make facial & body care a pure enjoyment.

### **PHYTOMER – UNIQUE COSMETICS WITH ACTIVE MARINE INGREDIENTS**

Only sea water contains 104 trace elements essential for our well-being. These are especially important for radiantly beautiful skin and a firm, slim figure. Phytomer has therefore selected concentrates from sea water, marine spring water, algae, and sea mud as the main ingredients for the complete care product line in order to efficiently combat cosmetic problems. PHYTOMER has been in the service of providing beauty for over 45 years: there is no need to create what nature has already created. Phytomer creates the beauty of the future.

### **WHY YOU SHOULD CHOOSE PHYTOMER PRODUCTS**

- Phytomer carefully and respectfully handles resources from the sea
- Phytomer is no. 1 throughout the world in the Thalasso sector
- Unique extraction technique, with which all active ingredients from the sea remain intact
- No animal testing or animal products
- 100 % natural marine and plant ingredients
- In-vitro test on cell cultures
- Dermatologically tested care products (safe and effective)

### **STYX - NATURAL COSMETICS WITH THE POWER OF NATURE**

This natural cosmetic products are created by exclusively using raw plant material from organic farming or rank growth and cold-pressed plant oils of the highest quality. Dive into the fountain of youth and treat yourself to an unforgettable experience.

### **DR. GRANDEL - FEEL THE PERFECTION**

The combination of selected active components from our nature and innovative high-tech-methods leads to highly effective products with best compatibility and perceptible reliability.

### **INDIVIDUAL ADVICE AND LASTING CARE**

As a gift for your loved ones or as care products to take home with you.  
We can also send you your products by mail.

We will put together an individual beauty program for you, and we will be happy to advise you based on your particular skin type.
